The Department of Clinical Biochemistry conducted a CME on ‘The role of Biochemistry in Reproductive Medicine’ on the 17th of June, 2017, in honour of Dr Victoria Job, Professor and Head of the Department, on the occasion of her superannuation.

Around 200 delegates from Chennai and in and around Vellore, as well as many retired staff including former Head, Dr A S Kanagasabapathy, attended the CME. Associate Director Dr Anil Kuruvilla, Medical Superintendent Dr C E Eapen, Principal Dr Anna B Pulimood, Dr Sukesh Nair, Professor, Transfusion Medicine and Medicine & Immunohaematology; and Dr Geethanjali F S, Professor, Clinical Biochemistry, felicitated Dr Job.

The speakers included Dr T K Aleyamma and Ms Anne Margaret, from the Department of Reproductive Medicine, who spoke about the biochemical evaluation of IVF and ‘biochemical pregnancy’; Dr Vivek Krishnan, Amirtha Institute of Medical Science, Kochi, who spoke about screening for Down's; and Mrs Vanitha, Clinical Biochemistry, who spoke about the Anti-Müllerian hormone.
Dr Pamela Christudoss, Professor of Clinical Biochemistry, proposed the vote of thanks and concluded the meeting.
