certification for CMC Vellore Renewed**

National Accreditation Board for
Hospitals & Healthcare Providers

NABH accreditation for the institution has been renewed with a validity extending for another three years - till 21st December 2019.

The NABH renewal assessment was conducted on the 23rd, 24th and 25th of November, 2016, by a team of seven assessors from NABH. The Non-Conformances raised were addressed and the closure report for the same, was sent to NABH. NABH accepted all the closures and has renewed the accreditation status, which will be under surveillance every 18 months. The efforts of the Quality Management Cell and the Department Quality Managers of the institution, in this regard, are greatly appreciated.
