

Radiology conducts CME on Abdominal Imaging

The mid-term CME of the Tamil Nadu and Pondicherry Chapter of the Indian Radiological and Imaging Association (IRIA) on 'Abdominal Imaging' was organised and co-hosted by the Department of Radiodiagnosis on the 3rd of June, 2017. Nearly 150 delegates from various institutions participated.

The keynote speakers were Dr Vikram Dogra, Professor of Radiology, Urology and Biomedical Engineering at the University of Rochester, USA and Dr Subramaniyan R, Consultant Radiologist, Department of Clinical Imaging, Al Wakra Hospital, Qatar.

As part of the academic sessions, there were lectures on Urological and Hepatobiliary Imaging which included recent advances in the field. Interactive case discussions saw enthusiastic audience participation.
