

Leadership seminar, 'Lead like Jesus', conducted for faculty

A leadership seminar themed 'Lead like Jesus', which is in line with the leadership style of the institution, was conducted on the 20th and 21st of October, 2017. This is the second such seminar conducted this year.

As an institution, CMC depends on its faculty to take up leadership positions at various levels in the institution, during their tenure. However, till recently, equipping faculty for leadership had been missing in the medical training.

The seminar series, which highlights our motto, 'Not to be ministered unto but to minister', was introduced to the institution by the Indian leadership training team of Ken Blanchard and Phil Hodges, was found to be greatly beneficial.
