

New gates and other facilities inaugurated at College of Nursing

The College of Nursing at the Kagithapattarai Campus witnessed the inauguration of various facilities within the campus, on the 21st of September, 2017. These included new gates, water sumps with 5 lakh litres capacity, a gymnasium at the Student Nurses' Hostel, and electrical equipment, a projector, a music system and a piano at the Friendship Chapel.

Following the prayer of dedication, the gates were inaugurated by former Director Dr. Sunil Chandy, who cut the ribbon and opened the new gates.

The water sumps were dedicated by Rev. Dr. Arul Dhas and the electrical equipment by Rev Rainard Pearson.

Dr. Chandy also inaugurated the projector and the music system

while Director Dr. J. V. Peter, a skilled pianist, inaugurated the piano by playing a beautiful worship song.

During the programme, Dr. Selva Titus Chacko, Dean, College of Nursing, gave an

overview of the various developments at the campus over the years. This was followed by felicitations by Dr. Chandy and Dr. Peter. A special word of thanks and appreciation was offered to the General Superintendent's Office and to all the engineering and maintenance staff for their

hard work. The programme concluded with the Dean and the faculty of the College of Nursing bidding farewell to Dr. Chandy and welcoming Dr. Peter with a fellowship dinner.
