

National Pharmacy Week observed

The Department of Pharmacy observed the 56th National Pharmacy Week from the 19th to the 25th of November, 2017. Various activities were organised on the theme, 'Know about your Medicines; Ask Your Pharmacist', with the aim to create awareness

about safe and proper use of medicines and to highlight the importance of the pharmacy, both for health and disease.

An exhibition, held for the benefit of the public, patients and healthcare workers, was inaugurated by Mrs. Mahalakshmi, Drugs Inspector, Vellore Range I, Drugs Control Office, Vellore Zone, in the presence of the other Drug Inspectors, Mr. Immanuel, Mrs. Hemalatha and Mrs. Saranya. Various competitions such as poster designing, slogan writing, essay writing and a quiz were also organised. More than 300 participants took part in these competitions.

The Director, Dr. J. V. Peter, the Principal, Dr. Anna Pulimood, the Medical Superintendent, Dr. Prasad Mathews, the Dean, College of Nursing, Dr. Selva Titus, and the

Superintendent, Dr. Premila Lee, extended their felicitations on the occasion. The programme concluded with a prayer by the chaplain, Mr. Raja.
