

4th International Conference on Birth Defects held

The Department of Medical Genetics organised the 4th International Conference on Birth Defects (ICBD) from the 13th to the 15th of December, 2018. The conference was organised in association with the 5th Annual Conference of the Society for Indian Academy of Medical Genetics (SIAMG) and supported by Genomic Medicine Foundation (UK).

ICBD 2018 was organised with the aim to provide a platform for scientists, clinicians and academicians to communicate and exchange crucial updates in clinical genetics and genomic technologies, on the theme of birth defects in the genomic era.
