

WINTER SYMPOSIUM

January 10th to 12th 2019

Theme : Renal Medicine - Pushing The Boundaries

Christi crux est mea lux
soli Deo honor et gloria!

Dear teachers, colleagues and friends,

Greetings from the organizing team!

We have immense pleasure inviting you for the **Winter Symposium** from **10th to 12th January 2019**. This premier annual event organized at **Christian Medical College Vellore** aims to motivate and engage young minds in quality research by showcasing the latest and cutting edge in medicine. The department of Nephrology is hosting this year's symposium and the theme is "**Renal Medicine- pushing the boundaries**".

We are indeed grateful to the experts in their field who have agreed to be the

distinguished faculty. The deliberations, discussions and sharing with the faculty's rich academic and research work promise to be an experience *par excellence*. We invite you to partake of the sumptuous academic feast that is in store.
