Christian Medical College Vellore has successfully procured the Hyperfine Swoop Low-field Portable MRI Scanner, making it the first hospital in the country to have this state-of-the-art equipment. The Hyperfine Swoop scanner produces a magnetic field of only 0.064 T, making it not only safer but also more energy-efficient than traditional MRI machines. With a power consumption of just 900w, equivalent to that of a coffee machine, the low-field scanner does not require cryogenics. The scanner is easily portable and can be moved from one facility to another, even to the patient's bedside, using joystick control. Equipped with advanced image processing and deep learning algorithms, it can produce high-quality MRI images. Currently, the Hyperfine MRI scanner is approved for research use in the country. The dedication and inauguration was conducted on 23rd March 2024 at the CODES Building, Sathumadurai. After the opening prayer by Rev. Rachita Raut, Dr. Beena Koshy, Professor, of Developmental Paediatrics welcomed the gathering. Felicitation was offered by Dr. Vinod Joseph Abraham -Vice Principal (UG), who inaugurated the facility. Dignitaries present included Dr. Venkat Raghava Mohan, Professor and Head of, the Community Health Department, Dr. Samuel Philip Oommen, Professor and Head of developmental Paediatrics, Dr. Pavithra Mannam, Professor, Radiology, and Dr. Anne George, Professor, OBG. Rev. Rachita Rout dedicated the Hyperfine MRI scanner for the glory of God. The PRiSMA/ReMAPP research team would like to express our gratitude to the administration and the Engineering department for their support.

## Inauguration of the Hyperfine Swoop Low-field Portable MRI Scanner

## Regional Anaesthesia CME, Live Interactive Scanning, Cadaveric Workshop

On 6th April, 2024, the Department of Anaesthesia held a Regional Anaesthesia CME, Live Interactive Scanning and Cadaveric Workshop at the New Examination Hall, and Anatomy Dissection Hall, Bagayam. The event aimed to highlight the importance of adhering to best practices in Regional Anaesthesia to equip all categories of practitioners with the necessary knowledge and skills to deliver high-quality care while minimizing risks and ensuring safe and scientific practices. The programme provided a forum for participants to share their experiences and learn from each other, ultimately advancing the utility of Regional Anaesthesia in perioperative care. The scientific session included a series of short lectures by internal and external faculty, followed by a cadaveric workshop where anatomists demonstrated the gross anatomy pertaining to Regional Anaesthesia. Alongside, anaesthetists also demonstrated ultrasonographic correlation of the anatomy on volunteers. The workshop was attended by 50 faculty members and 80 delegates. The organising team consisted of the organising secretary, Dr. Serina Ruth Salins, Professor & HOU Unit-II, and the organising Chairperson, Dr. Chiraag.S. A special word of thanks was given to the Head of Anatomy Department, Dr. Tripti Meriel Jacob, and her team, for their vital input.

## Workshop Organised by the Clinical Epidemiology Unit

The Clinical Epidemiology Unit, CEU organised the Institutional Epidemiology Workshop for DM/MCh and Post-doctoral fellows in two batches at the New Examination Hall between 27th to 29th February and 13th to 15th March 2024 on behalf of the Principal's office. The workshop was attended by 141 candidates consisting of final-year DM/MCh registrars from all specialities, Postdoctoral fellows and MOT students.

The workshop started with a word of prayer by Chaplain Ms.Saramma Kuruvilla and, a welcome address by Dr.Tripti Meriel Jacob, Vice Principal – PG & Dr.Jacob John, Additional Vice-Principal- Research. The topics covered were research questions, study designs, research ethics, sample size calculation, data analysis, CRF creation, manuscript writing and practical sessions on critical appraisal, literature search, data dictionary, Zotero software, Epidata software and protocol development.

The faculty consisted of Dr.JP Muliylil, Dr.Prathap Tharyan, Dr.Abraham Peedicayil, Dr.Mohan Kamath, Dr.Sathish Kumar, Dr.Prasanna Samuel, Dr. Azariah Jebakumar, Dr.Vignesh Kumar, Dr.Gowri Mahasampath, Dr.K.Reka, Ms.Divya, Mr.Rajagopal, Mr.Madhan Kumar and Dr.Thambu David. Dedicated time was made available for individual discussion with the statisticians. The workshop was coordinated by Dr.Thambu David, Director, Cochrane India, CMC Vellore affiliate and Head of Clinical Epidemiology Unit. The workshop was well received by the participants.

CLINICAL EPIDEMIOLOGY UNIT, CMC, VELLORE  
Institutional Epidemiology Workshop for DM/MCh & Post doctoral fellows  
Venue: Examination Hall, Date: February 27-29, 2024 (Batch I)

CLINICAL EPIDEMIOLOGY UNIT, CMC, VELLORE  
Institutional Epidemiology Workshop for DM/MCh & Post doctoral fellows  
Venue: Examination Hall, Date: March 13-15, 2024 (Batch II)

## Art Exhibition Organised by the Arts and Aesthetics Committee

On April 15, 2024, the Arts and Aesthetics committee organised an art exhibition at the Big Bungalow foyer. The exhibition showcased artworks submitted for the art competition from staff, students, relatives, and patients. There were 46 participants altogether.

The opening prayer was delivered by Rev. Saramma Kuruvilla, Sr. Chaplain followed by a welcome address by Dr. Latif, Forensic Medicine. An overview of the programme was provided by Ms. Sheby Rajiv, Convener of the Arts and Aesthetics committee.

Dr. Vikram Mathews, Director spoke about the significance of arts and aesthetics in our institution and awarded prizes to the winners. The exhibition concluded with a vote of thanks proposed by Dr. Ronald Carey, Head of Pharmacy Services followed by closing prayer by the Chaplain. The evening was delightful, with many staff members, students, and relatives enjoying the displayed artwork.

### Prize Winners:

**First Prize:** Master Akhilan, 10th grade - Ida Scudder School

**Second Prize:** Dr. Mirna, PMR Department

**Third Prize:** Ms V.Harshini, Dietary department .

## State Level Workshop Organised by College of Nursing, CMC Vellore

The Departments of Neurology Nursing, and CNE & Research, College of Nursing conducted a state level workshop on 'Nursing Care of Patients With Traumatic Brain Injury (TBI) And Spinal Cord Injury (SCI)' on March 22, 2024. A total of 44 delegates from within and outside the institution participated. The objectives of the workshop were to enable participants to acquire in-depth knowledge of traumatic brain and spinal cord injuries, identify and manage TBI and SCI patients efficiently, demonstrate skills in managing TBI and SBI, and appreciate legal and ethical concerns related to trauma.

The sessions were covered by the faculty from the Departments of Neurology CMC Vellore and Neurology Nursing from College of Nursing, CMC Vellore; School of Nursing, Scudder Memorial Hospital, and Apollo Hospitals, Chennai. The session were on the following topics:

- Injury classification and presentation of symptoms of TBI & SCI,
- Basics of increased ICP & management of TBI – diffuse axonal injury,
- Brain death protocol,
- Legal and ethical concerns related to trauma,
- Assessment of patient following TBI & SCI,
- Primary & secondary prevention of TBI & SCI.

There were sessions on Neurorehabilitation, ICP monitoring, skull traction & log roll technique and prevention & management of complications (Tabletop exercise). The Tamil Nadu Nurses and Midwives Council awarded 7 credit points for the workshop.

## Events from the CME Department

### **CME on Management Heat Stroke :**

A CME on Management Heat Stroke was organised by the Departments of Emergency Medicine, Internal Medicine and Continuing Medical Education on March 16, 2024.

Dr. Priya G., introduced the spectrum of heat related illnesses and Dr. Amith Balachandran presented an overview of the pathophysiology of heat stroke. Immanuel Sathish Gandhi explained the manifestations and how to clinically identify the heat stroke. Dr. Gina Chandy and Dr. Krupa George provided practical guidelines and evidence-based approach to the management of heat stroke. Finally, Dr. Sandeep David suggested important measures to prevent heat stroke.

This CME was followed by a special lecture by Dr. Vineeth John, Professor and Vice Chair, Dept. of Psychiatry and Behavioural Sciences, McGovern Medical School, Texas, USA on “In Search of Expertise: How Expert Performers Differ From Novice Performers”. We thank Dr. Vineeth John, Dr. KPP Abhilash, the speakers and the Telemedicine Department for making this possible

#### **CME on Occupational Health in collaboration :**

Occupational diseases are a common, but often unrecognised cause of illness. The Occupational Health Team led by Dr. Sowmya Sathyendra and Dr. Reginald Alex conducted a CME on Occupational Health in Collaboration with the CME Department on 23rd March, 2024. The resource persons, Dr. Reginald Alex, Dr. Priya N., Dr. Priya Kuryan, Dr. Mohan Jambugulam, Dr. Kailasam, Dr. Naveen Cherian Thomas, and Mr. Lenny Vasanthan discussed clinical scenarios and prevention and management in chemical, dermatologic, pulmonary and musculoskeletal aspects of occupational health. Mr. Lenny Vasanthan stressed the role of exercises and ergonomics in the workplace, with a demonstration video of simple exercises that can be incorporated into daily life. The CME Department thanks the speakers and the Telemedicine Team for making the programme possible.

#### **CME on Tuberculosis :**

The Departments of Respiratory Medicine and Continuing Medical Education organised a CME on Tuberculosis on 6th April, 2024. The speakers, Dr. T. Jacob John, Former Professor of Virology, Dr. Richa Gupta, Dr. Joy S. Michael, Dr. Danny Prasad, and Dr. Sanjeev Nair, Professor, Department of Pulmonary Medicine, Government Medical College, Thrissur brought a wide range of expertise to the program. They covered topics ranging from epidemiology and program delivery to pharmacotherapeutics, diagnosis and drug resistance.

We thank Dr. Richa Gupta, all the speakers, and Mrs. Hasna from the Telemedicine Department for making the programme possible.

## **6th Basic Course in Medical Education**

The National Medical Commission’s 6th Basic Course in Medical Education (BCME) was conducted for the MEU coordinators, curriculum committee members, and resource persons from MEU and its affiliated Medical Colleges from 26th to 28th March 2024. The course was conducted at the Nodal Centre, Medical Education Department (MED), CMC Vellore. There were 30 participants (8 Professors, 15 Associate Professors and 7 Assistant Professors) who benefitted from this course. The objectives of this programme were to sensitize the participants to understand the principles of learning, frame specific learning objectives for a competency, enumerate various interactive learning methods in a large group or a small group, choose the right assessment method for the competency, give timely feedback to the students and to apply innovative methods in teaching & assessment of AETCOM (Attitude Ethics and Communication) modules. Dr. Margret Shanthi F. X. started the day with a word of prayer, The Vice-Principal (UG) Dr. Vinod Abraham welcomed the members present. Resource persons from various departments in CMC, Vellore facilitated the most active sessions and Dr. Margaret Shanthi F. X., proposed the vote of thanks on the third day. The Medical Education Department is thankful to Dr. Margaret Shanthi F. X., Dr. Reena George, Dr. Sowmya S., Dr. Sudha Jasmine, Dr. Vinod Abraham, Dr. Sathishkumar T., Dr. Vinay Oommen, Dr. Venkatesan S., Dr. Vandana K., Dr. Rajat Raghunath, Dr. Prakash S. S., Dr. Latif Rajesh and Dr. Audrin Lenin for all their contributions towards the successful conduct of the event .

3. Mr. Sathya M.

## Retirements

### **Mrs. Lakshmi Vijayakumar:**

Mrs. Lakshmi Vijayakumar, Sr. Gr. Multipurpose Health Worker, Neuro ICU, retired on 8th March 2024 after completing 27 years of service in our institution. She completed the MPHW course in August 1984 from Voluntary Health Services Medical Centre, Chennai and joined the Neuro ward as a Multipurpose Health Worker in May 1987. She worked in the N2 ward and Neuro ICU. She resigned in August 1994 then rejoined Neuro ICU ward in February 1997 where she worked till her superannuation.

She is an active and cheerful individual who is a highly dependable staff member in the Neuro ICU. She maintains good interpersonal skills with everyone in the ICU and the department, making her a great team player who takes initiative while delegating responsibilities.

She keeps her clinical knowledge up-to-date and takes good care of patients. Her focus is on patient care and patient safety, and she is always ready to assist in emergencies. She is also skilled in stereotactic biopsy and radiosurgery, and can promptly assess deficits and assist staff nurses in interventions. She received a special award for her exhibit and poster presentation during the annual neuro conference.

Her husband Mr. Vijayakumar is doing his own business and her daughter Ms. Archana completed her M.B.A. and Diploma in Hospital Administration in CMC and is married to Mr. Murugesan. Mrs. Lakshmi is blessed with 2 grandchildren.

The CMC family is thankful to Mrs. Lakshmi Vijayakumar for her efficient and dedicated service to this institution and wishes her God's blessings in her retired life

### **Mrs. Punitha Parasuraman:**

Mrs. Punitha Parasuraman, Sr. Gr. Nursing Auxiliary, Endoscopy, retired on 15th March 2024 after completing 36 years of service in our institution. She completed the Hospital Auxiliary course in February 1988 from CMC, Vellore and joined the 'C' ward as Nursing Auxiliary in March 1988. She worked in the C, Isolation and I wards. From the year 2013 onwards she has been working in Endoscopy.

She is a calm, sincere, and hardworking staff member who maintains good relationships with colleagues and other team members. She takes corrections and suggestions positively and communicates well with patients.

She is competent in assisting with all scope procedures and manages well in emergencies. She always arrives punctually and maintains a high level of integrity. Additionally, she takes good care of the instruments and shows an interest in explaining and instructing patients before and during procedures.

Her husband Mr. Parasuraman is working as Artisan in the EMD department. Her elder daughter Ms. Ramya, completed BDS in Chengalpattu and is studying Fellowship in Hospital Quality Management at CMC. Her younger daughter Ms. Pooja completed her B.Sc. Cardiac Technology and is doing bond in CMC. Her son Mr. Vignesh is studying 2nd year B.Sc. MLT in CMC.

The CMC family is thankful to Mrs. Punitha Parasuraman for her efficient and dedicated service to this institution and wishes her God's blessings in her retired life.

## Situations Vacant
