### Regional Anaesthesia CME, Live Interactive Scanning, Cadaveric Workshop

On 22nd February 2025, the Department of Anaesthesia held a Regional Anaesthesia CME on *Live Interactive Scanning* and Cadaveric Workshop at the Department of Anatomy. The event aimed to highlight the importance of adhering to best practices in Regional Anaesthesia to equip all categories of practitioners with the necessary knowledge and skills to deliver high-quality care while minimizing risks and ensuring safe and scientific practices.

The programme provided a forum for participants to share their experiences and learn from each other, ultimately advancing the utility of Regional Anaesthesia in perioperative care. The scientific session included a series of short lectures by internal and external faculty, followed by a cadaveric workshop where anatomists demonstrated the gross anatomy pertaining to Regional Anaesthesia. Alongside, anaesthetists also demonstrated ultrasonographic correlation of the anatomy on volunteers. The workshop was attended by 55 faculty members and 110 delegates from various cities across the state and country. The attendees from CMC Vellore, GVMC-Vellore, Narayani Hospital, Scudder Memorial Hospital and Mission Hospitals across the country had greatly appreciated and benefited from the workshop. The organising team consisted of the Organising Secretary, Dr. Serina Ruth Salins, Professor & HOU Unit-II, and Organising Chairpersons, Dr. Steve Solomon & Dr. Joseph Abraham from Department of Anaesthesia. A special word of thanks was given to the Head of Anatomy Department, Dr. Tripti Meriel Jacob, and her team, for their vital input.

### Workshop conducted on Narratives in Bioethics

The Department of Bioethics conducted a workshop titled *Narratives in Bioethics* on 28th February 2025. Apart from the online participants, 90 persons took part in the workshop in person. The resource persons (Dr. Anuradha Rose, Dr. Sowmya Sathyendra, Dr. Joyce Ponnaiya, Dr. Sunny Philip, Mr. Ruby Nakka, Mrs. Vinodhini Nakka, Dr. Jayaprakash Muliylil, Dr. Sara Bhattacharji and Dr. Sushil M John) shared different narratives from their backgrounds (clinical, nursing, administrative, pastoral, social work and research).

In addition to the mimetic value of the narratives, the workshop highlighted the need to listen to the narratives of different persons involved in the scenario as ethical decisions are taken in health care. The conversations focused on the inability to provide ethical healthcare without paying attention to different narratives in the context of patient-caregiver interface - whether dominant or subtle (even silent).
