

Mr. S. Dhanasekaran Retires

Mr. S. Dhanasekaran, Sr. Sel. Gr. Archivist in Registrar's Office CMC Vellore Bagayam Campus, retired on 1st July 2026, after 39 years of dedicated service to the institution. Mr. Dhanasekaran, fondly referred to as 'Senior Sir' by his peers and juniors in the office, joined the institution in 1987 and has since served in various capacities. He started his career as an Honorary Part-Time Library Assistant in Nephrology from December 1987 to May 1990, which helped shape strong organisational, documentation, and administrative skills. After subsequently applying for the post of Clerk-Typist, he was selected and began his first posting in the Registrar's Office on 2nd May 1990, under the then Registrar, Dr. Prakasa Rao. The selection work at that time was primarily for the MBBS, BPT, BOT, BSc MLT, and M.Sc. (Biochemistry, Microbiology and Biostatistics) courses. The CMC Vellore national-level entrance examination was conducted for the MBBS course at various centers across the country. In addition entrance exams for other courses were held at CMC Vellore Bagayam campus. The selection work in the 1990s was painstaking, involving printing of question papers and answer sheets, their careful packing, and dispatch to all the exam centres through faculty members, with careful checking and tallying after the exam to ensure that everything was properly accounted for. The work was demanding and required a high level of accuracy, attention to detail, and confidentiality, which Mr. Dhanasekaran consistently maintained over the years and set an example for others to follow.

125 Years of CMC Vellore 1900-2025

The first men's hostel day

DID YOU
KNOW?

This was celebrated in 1950 with plenty of enthusiasm, despite an unexpected shortage of running water that forced the men to rush to the well to get clean and be ready for their guests!

The evening's entertainment featured Geoffrey Allen as a neurosurgeon opening a skull, alongside a lively band of Maori warriors whose spirited cries of "Kutumbaiaya" made the occasion memorable.

In view of his experience in the selection process, in 1993, Mr. Dhanasekaran was transferred to the Vice Principal's office (PG) under Dr. Alice Kuruvilla, for the conduct of entrance examinations at CMC Vellore, Bagayam Campus for DM/MCh and MD/MS/Diploma courses. At that time, as photocopiers were not available, he would make the required text for the question papers onto stencil sheets using a typewriter and make copies using a Roneo machine. In July 1998, when Dr. Alice Kuruvilla took over as head of Archives, Mr. Dhanasekaran was posted in Archives as an Archivist on 1st July 1998 to 31st October 2010. During this period, he attended a 30-day Scientific Archives and Record Management Training Programme at the Tamil Nadu Archives, Chennai, which was attended by staff members from various Government and private organisations. He successfully completed the course and secured the first rank in the batch. As an Archivist, he developed a deep appreciation for the importance of preserving institutional history. Along with his responsibilities at the Archives Department, he continued to handle question paper edits for the various exams conducted in the Registrar and Vice Principal (PG) offices.

On 1 November 2010, Mr. Dhanasekaran returned back to the Registrar's Office and has since served here until his retirement on 30th June 2026. Over the years, he has adapted well to the changing needs for the work in the Registrar's office, with the steady increase in courses across medical and allied health disciplines, extended working hours during selection times and shifts in the work process from offline to online systems. To quote his own words "Hard work, honesty, punctuality, responsibility, respect and commitment to one's duties remain important regardless of how much technology changes. I remember the people I met, the offices where I worked, the documents I handled, the changes I witnessed, the colleagues who became friends, and the faculty members who guided and encouraged me over the years". In his tenure, he has worked with Principals, Registrars and Deputy Registrars who have changed over the years, all of whom will testify to his exemplary character and dedication. He has been an excellent mentor to his junior colleagues, being a role model in professionalism, commitment and sincerity. His soft-spoken, calm demeanour, knowledge and experience of selection processes over the past years have been an anchor to the office at times of crisis, and a dependable counsel to the Registrars past and present.

Mr. Dhanasekaran is married to Mrs. T. Prema and is blessed with two children. His daughter, D. Porkodi, joined the B.Sc. Nursing programme at CMC Vellore in 2013 and worked at CMC Vellore for a few years after completing her course. She is currently married and settled in Chennai. His son, D. Sasikumar, is working as an Office Facilitator at the CMC Vellore Ranipet Campus. Mr. Dhanasekaran leaves behind a legacy of integrity and committed service and is a true testament to the Institution's motto of 'not to be ministered unto, but to minister'. The CMC community wishes him our heartfelt gratitude and God's blessings in the years ahead.

16th Annual Research Day 2026

The 16th Annual Research Day, supported by the Department of Health Research and Vellore CMC Foundation was organised by the Office of Research at Christian Medical College Vellore, on the 5th and 6th of October 2026, in the Scudder Auditorium and New Examination Hall. The event was inaugurated by Dr. Raj Narayanan from Vellore CMC Foundation, in the presence of Dr. Biju George, Director CMC Vellore; Dr. Solomon Sathishkumar, Principal CMC Vellore; and Dr. Jacob John, Additional Vice Principal (Research) CMC Vellore. The programme commenced with an opening prayer by Rev. Joseph Devaraj, Department of Chaplaincy.

The event showcased research activities conducted by faculty members, students, and research scholars across various disciplines at CMC. Over the two days, a total of 592 research presentations were made, comprising 398 poster presentations and 194 podium presentations. The poster category included 70 electronic poster displays, organised across six sessions over the two days at the New Examination Hall, ground floor. Podium presentations were conducted at various venues across the College Campus.

The award ceremony was held at 6.00 p.m. on October 6, 2026, recognising outstanding research contributions. A total of 129 winners were awarded medals and certificates for their achievements. This year, the Best Young Researcher Presentation Award – 2026 was introduced to encourage and recognise young researchers at the Associate Professor Grade II level and below. The top five poster and podium presentations by young researchers were shortlisted for the award. The selected posters were displayed during the award ceremony, while the five shortlisted podium presenters presented their research before the dignitaries and audience. Live polling was conducted to select the winner, and Dr. Ann Eapen secured first place and received the Best Young Researcher Presentation Award – 2026.

The **Departmental Research Output Awards** were presented based on the number of publications produced between July 1, 2025, and June 30, 2026. The *Department of Community Medicine* and the *Department of Microbiology* emerged as the departments with best research output.

The **Dr. Shubhanker Mitra Memorial Award**, instituted in memory of Dr. Shubhanker Mitra for his significant contribution to reviving and promoting undergraduate research at CMC, recognises students for outstanding research presentations in the Medical, Nursing, and Allied Health Sciences categories. The award recipients at the 16th Annual Research Day were *Mr. Arnav Varughese* (Medical), *Ms. Narmata* (Nursing), and *Ms. Amisha Dalara* (Allied Health Sciences).

Mr. Arnav Varughese (Medical)

Ms. Narmata (Nursing)

Ms. Amisha Dalara (Allied Health Sciences)

The *Department of Neurosciences* emerged as the **Overall Winner of the 16th Annual Research Day – 2026**, receiving the honour in recognition of its outstanding performance. Another significant milestone was the inauguration of the Institutional Review Board (IRB) Portal by the Principal. The portal is scheduled to go live on October 15, 2026, marking an important step towards streamlining research ethics review and online application management at CMC.

The 16th Annual Research Day celebrated the institution's vibrant research culture and reaffirmed its commitment to **Education, Service, and Research**, encouraging scientific excellence, collaboration, and innovation in healthcare.

Birmingham and Leeds Teaching Hospitals NHS Faculty Visit to Department of Nephrology

All glory to Christ! The Department of Nephrology and HLA Lab are grateful for an excellent academic interaction with a team of senior transplant nephrologists from Birmingham and Leeds Teaching Hospitals NHS Trust, UK on 8th October 2026. The visiting team comprised of Dr. Shafi Malik (Consultant Transplant Nephrologist NHS Birmingham), Dr. Sunil Daga (Consultant Nephrologist and Transplant Physician at Leeds) and Dr. Adrienne Seitz (Renal Transplant Physician / H & I Consultant and Co-Director of Transplant Immunology Lab at Leeds), with expertise in transplant nephrology and immunology. The programme featured academic lectures and case-based discussions on landmark clinical trials, steroid-free immunosuppression and alemtuzumab, delisting and HLA-incompatible transplantation, and the application of machine learning to understand immune responses following HLA-incompatible transplantation. The CMC Vellore team also presented relevant transplant cases and shared their clinical experience. The session provided a valuable platform for academic exchange and discussion of complex transplant-related clinical challenges. The visit also strengthened scientific engagement and fostered collaborative links between CMC Vellore and the renal transplant team at Leeds Teaching Hospitals NHS Trust.

Beyond the Pain Score towards a Pain Free Hospital: CMC Vellore Marks World Hospice and Palliative Care Day

The Department of Palliative Medicine, observed World Hospice and Palliative Care Day, on 10th October 2026, focusing on the theme for this year "Pain Management: An Essential Component of Palliative Care."

The celebrations featured slogan and flashcard competitions, which witnessed active participation and provided a creative platform for expressing perspectives on the multidimensional nature of "total pain". The day began with a thanksgiving prayer at the Ida B. Scudder Hospice, Snehadeepam with gratitude to God for the setting available to alleviate the pain of many. The programme in Main Campus had a special focus on empowering nurses, to contribute towards a "Pain Free Hospital". The chief guest, Mrs. Anne Jarone, Associate Nursing Superintendent and Head of Maternity Nursing, highlighted the concept of total pain and the need to optimise holistic care to reduce total pain. The programme included role plays, a heartfelt caregiver's reflection, and sessions on "Beyond the Pain Score: A Person-Centred Approach to Pain" and "Opioids Unmasked: Myths, Misconceptions, and Facts." An interdisciplinary panel discussion on "Pain Management in Practice: Pitfalls & Pearls" explored practical challenges and insights in pain management. An educational programme was conducted in CMC Vellore, Chittoor Campus by the nursing team. These sessions emphasised the need to identify pain champions and marked a step towards the vision of a Pain-Free Hospital, strengthening institutional commitment to effective pain assessment and management. The event reaffirmed the Department's commitment to education, awareness and interdisciplinary collaboration in advancing palliative care, ensuring that dignity, comfort and compassion remain central to healthcare.

Winners of slogan competition:

- First place : Ms. Vasugi S, 3rd year GNM student.
- Second place : Dr. Santosh Varughese, Sr. Professor, Department of Nephrology.
- Third place : Ms. Merlin Mary Mathew, 4th year B.Sc. Nursing student.

Winners of flash card competition:

- First place : Mr. N. Mubarak Ali, Staff nurse HICC
- Second place : Mrs. Sarguna Priya, Staff nurse C201.
- Third place : Mr. Logesh P, Clinical Trial Coordinator, Nephrology.

Department of Dietetics Celebrates National Nutrition Month 2026

The National Nutrition Month is observed during the month of September every year. The main objective of the nutrition month is to bring awareness about the importance of nutrition in promoting the health of individuals and families, thereby contributing to a healthy Nation.

In commemoration of National Nutrition Month 2026, The Department of Dietetics, Christian Medical College Vellore, teamed up with Rotary Club of Vellore and Inner Wheel Club of Vellore to launch a high-impact nutrition and wellness campaign across colleges in and around Vellore & Ranipet. Our team organised sessions and healthy diet food displays across various educational institutions including Ganadipathy Tulsi's Jain Engineering College (GTEC), Global Institute of Engineering and Technology (GIET), Global College of Arts and Science, and DKM College.

Sessions namely, 'The Alchemy of Food-Transforming Your Diet for Physical & Mental Well-being, Importance of a healthy, balanced diet to prevent NCDs, My Plate - My Nutrition, Healthy diet – The Paramount and Eat Right to Prevent Diabetes in Youth, were handled by Ms. Manimegalai, Sr. Lecturer and Incharge, Ms. Jayalakshmi, Sr. Lecturer, Ms. Kavitha, Sr. Dietitian, Ms. Anitha, Dietitian, Ms. Samundeeswari, Dietitian respectively.

A key highlight of the programme was the healthy food display, which served as an interactive and practical learning experience for the students. Our PG clinical nutrition students namely Ms. Jerlin Priyadarshini, Ms. Madhura, Ms. Joselin, Ms. Sreepriya, Ms. Varshavardhini and Ms. Steena Thomas explained the nutritional benefits of the displayed foods. The food display helped students understand how healthy, balanced, and nutritious meals can be incorporated into their daily routines and make healthy choices. The sessions also encouraged students to develop healthier eating habits and recognise the role of nutrition in maintaining physical and mental well-being.

The programme served as a valuable platform to enhance student's awareness on nutrition and encourage them to adopt healthier dietary habits. We educated over 2000 students on balanced & healthy eating, mindful habits, and NCDs prevention.

We extend our heartfelt thanks to our General Superintendent Mr. Reni Charles, Associate General Superintendent Dr. Lallu Joseph, and Deputy General Superintendent Mr. Joseph Selvaraj, for their unwavering support and guidance. We express our deepest gratitude for all our senior and junior staff and students of our department for their untiring efforts to conduct these series of events through the month. Through this collaborative initiative, the Department of Dietetics reaffirmed their commitment to promoting nutrition education and building a healthier community. Finally, we thank God for his glory and grace which enabled us to celebrate the National Nutrition Month fruitfully.

Special Prayers: October 18 - 24, 2026

Community Medicine : Dr. Anuradha Rose and Staff
Dr. Shandril Gnanatheebam R. and Staff

Palliative Medicine : Dr. Jenifer Jeba S. and Staff

National Council of Churches in India
Council Member : Rev. Asir Ebenezer

North Bank Baptist Christian Association
Council Members : Rev. Chowaram Daimari
Dr. Asolie Chase

Hospital : Baptist Christian Hospital, Tezpur.
