God is our refuge and strength, an ever-present help in trouble. Psalm 46:1

Neuroson - 2026, Conducted by Division of Neuro Critical Care

The Neurocritical Care Unit, Department of Critical Care Medicine, CMC Vellore, conducted a one-day hands-on workshop on Neurosonology, attended by 40 delegates from across Tamil Nadu. The workshop was inaugurated by Dr. Rajesh I, Medical Superintendent, CMC Vellore, who emphasised the importance of keeping abreast of the latest developments in medical science to continually enhance clinical practice and patient care. The workshop featured distinguished external faculty, including Dr. Saurabh Anand, Head of Neuroanaesthesia and Critical Care at Artemis Hospital, New Delhi; Dr. Rajeeb Mishra, Additional Professor at NIMHANS, Bengaluru; and Dr. Ramanan Rajagopal, Head of Neuroanaesthesia and Critical Care at Rela Hospital, Chennai. Aimed at demystifying the art and science of Transcranial Doppler (TCD) ultrasonography, the workshop featured extensive hands-on training sessions that provided delegates with valuable opportunities to develop practical skills and enhance their confidence in neurosonology. Advanced concepts, including cerebral vasomotor reactivity and cerebral autoregulation, were also discussed, with particular emphasis on their clinical applications in neurological emergencies such as traumatic brain injury and subarachnoid haemorrhage. The programme concluded with an engaging quiz that tested the delegates' knowledge and understanding. Dr. Anupriya and Dr. Shwetha Mohan of CMC Vellore secured the first and second prizes, respectively, while the third prize was awarded to a delegate Gaurav Shybinth Sathyavardhan from Madras Medical College. The workshop provided a valuable platform for knowledge exchange, skill development and academic interaction, reinforcing the importance of neurosonology as a bedside tool in the contemporary management of critically ill neurological patients.

125 Years of CMC Vellore
1900-2025

DID YOU KNOW?

Canadian missionary Louisa Hart came to India in the late 19th century and was awarded the Kaiser-e-Hind Medal for her medical services in South India during the bubonic plague. She was also the first to suggest to her mission board that a hospital for women be established in Vellore, and that Ida Scudder raise funds for the project before returning from America after completing her medical training.

World Sight Day 2026

Theme: Love Your Eyes at Work, Love Your Eyes, Kids

World Sight Day 2026 was observed on 8th October with the theme "Love Your Eyes at Work, Love Your Eyes, kids" highlighting the importance of eye health and the prevention of avoidable blindness. On the occasion of World Sight Day 2026, the Department of Ophthalmology hosted a health education programme on 10th October 2026 in Schell campus, and on 12th October 2026 near ISSC building in CMC Vellore, Town Campus. The programme aimed to improve awareness of eye health among patients, hospital staff, students, and community members. Through collaborative awareness initiatives, the department aimed to encourage healthy eye care practices, promote early detection of eye diseases, and strengthen community awareness regarding the importance of preserving vision. On 10th October in Schell Campus, the inauguration programme commenced with opening prayer by Rev. Prasanna, Chaplain, followed by Scripture reading by Mr. Philip, senior Optometrist. Dr. Sheeja Susan John, Head of Ophthalmology, delivered the welcome address.

Dr. Henry Prakash, Deputy Medical Superintendent, and Dr. Anika Amritanand, Head of Ophthalmology-Unit 6 offered their felicitations. Dr. Anika gave a brief overview of the awareness and screening programmes conducted over the week at various camps in the community in and around Vellore, among auto drivers, sanitation workers and painters in Latheri, bank staff in Kaniyambadi, 100-days-workers in Puthur, Jawadhi Hills, and gardeners, housekeeping attendants and security staff at RUHSA and CHAD. Prof. Angeline Jeya Rani, Nursing In-charge, Schell and LCECU, offered felicitations representing Nursing Service, and shared a brief note about the theme, explaining the importance of the tricolor code of World sight day. To mark the occasion, a series of activities was planned and conducted. Thirty school children from Bethel Hr. Sec. School, Katpadi were invited and screened for refractive errors. They also enjoyed the puppet show on prevention of firecracker injuries. The Ophthalmology team created awareness through 3D models, exhibits, posters and role play. About 150 to 200 patients and relatives were present on this occasion, and awareness was created regarding topics such as preventive eye care, healthy screen habits, diabetic eye care awareness, glaucoma, contact lens use and maintenance, prevention of fire cracker injuries & eye health at work. On 12th October in Town campus, the programme commenced with opening prayer by Mr. Hitlar, Camp manager. Dr. Sheeja Susan John, Head of Ophthalmology, delivered the welcome address. Mrs. Anne Jarone, Assoc. Nursing Superintendent and Dr. Anika Amritanand, Head of Ophthalmology-Unit 6 offered their felicitations, and briefed the gathering on the importance of eye health. The Ophthalmology team created awareness through exhibits, posters and 3D models. About 200 patients and relatives benefited.

The World Sight Day theme "Love Your Eyes" reminds us that protecting sight is a shared responsibility that requires awareness, early intervention, and continued commitment to accessible and quality eye care.

College of Nursing CMC Vellore, Chittoor Campus
Gynecological Cancer Awareness Programme

In commemoration of Gynecological Cancer Awareness Month, a Health Awareness Programme was organised on the theme “Know the signs. Get screened. Save a life.” by the College of Nursing, CMC Vellore, Chittoor Campus and the Department of Obstetrics & Gynaecology, CMC Vellore, Chittoor Campus. Mrs. Sophia J, Faculty, College of Nursing, Chittoor Campus, organised the Programme. Competitions on poster making and Quiz were conducted for the staff and students of Chittoor campus. A health awareness talk was conducted for staff by Dr.Shiny Nirupama and Dr. Biditha from the Department of Obstetrics & Gynaecology, CMC Vellore, Chittoor Campus on 17th September, 2026.

On September 28th, 2026 an awareness programme for the public was organised in the patient waiting area of the Chittoor campus. Mrs. Nirmala Margaret P, Principal, College of Nursing, Chittoor campus, welcomed the gathering. Mrs. Diana David, Professor, OBG nursing, CON, CMC Vellore was the chief guest for the occasion who addressed the gathering and explained the importance of screening and identification of early warning signs in gynaecological cancers in women. Mrs. Anne Jarone, Associate Nursing Superintendent and Dr. Shiny Nirupama, Associate Professor, Obstetrics and Gynecology, Chittoor campus offered felicitation. On this day posters on the theme were displayed; a role-play on importance of screening and early warning signs in gynaecological cancers was performed by the 4th year B.Sc. Nursing students of College of Nursing. Prizes for the winners of the poster and quiz competitions were distributed by the chief guest. Patients attending out-patient services and their relatives participated and were benefited by the programme.

Community Health Nursing Unit of the College of Nursing CMC Vellore Chittoor Campus observed the World Food Day

The Community Health Nursing unit of the College of Nursing CMC Vellore Chittoor Campus observed the World Food Day on 16th October 2026. The theme for this year was "Innovate Today, Nourish Tomorrow". World Food Day is observed annually on October 16th to Raise awareness about hunger, undernutrition, making food security a shared priority and work toward achieving Sustainable Development Goal 2: Zero Hunger. The day also highlights the significance of prompt action to foster science, modern technology, and traditional knowledge to improve agricultural productivity and nutrition.

The Community Health Nursing unit, under the guidance of Mr. John Wesley, M. Sc. (N) Tutor, along with the Tutors and Community Health Nurses conducted a series of competitions for students. Awareness about the unhealthy ways of eating leading to Non-communicable Diseases like Diabetes, Hypertension, Dyslipidemia, Obesity, Cardiac problems and cancer, its harmful effects over the families and society was emphasized among people in the community of Cheelapalli village. Millet based diet preparation was clearly taught and demonstrated to the women folk of the village and were encouraged to modify their cooking and eating pattern so as to attain better health.

The final programme was conducted on 16-10-2026 in the patient waiting area of CMC Vellore Chittoor Campus. The programme started with prayer song by B. Sc. Nursing final year students and staff followed by Prayer and devotion by Rev. Giftus Joshua, Chaplain, Chittoor Campus. Dr. Pastin Pushpa Rani, Vice-Principal, College of Nursing, Chittoor Campus gave the welcome address. The chief Guest for the occasion was Mrs. Manimegalai, Chief Dietician from CMC Vellore. Mrs. Manimegalai addressed the gathering by giving an inspiring speech to the audience (Patients and their relatives), teaching them the 10 - Commandments to Healthy Eating. She also emphasised the importance of dietary changes that need to be embraced by all individuals, so as to combat the non-communicable diseases which are a global problem.

Dr. Cheryl Lydia John, Asst. Professor, Department of Community Medicine, Chittoor Campus and Mrs. Anbarasi, Associate Nursing Superintendent from CMC Vellore, Chittoor Campus gave their felicitations. The B. Sc. Nursing final year students gave a special number (Role play) and demonstrated how to practice a healthy eating pattern and be free of Non-Communicable diseases.

Prizes were distributed to various prize winners for the competitions held on the occasion.

Poster Competition:

First Prize - Ms. Sophia Princess E, B. Sc. Nursing Final Year
Second Prize - Ms. Adhiya J Thazhath, B. Sc. Nursing Final Year
Third Prize - Ms. Agnash Hepshiba Y, B. Sc. Nursing Second Year

Slogan Competition:

First Prize - Ms. Hemaa C, DMLT First Year
Second Prize - Ms. Maria Rose Jaison, B. Sc. Nursing Third Year
Third Prize - Ms. Cellina Rosy V, B. Sc. Nursing Final Year

Essay Writing competition:

First Prize - Ms. Navitha Priscilla N, B. Sc. Nursing Final Year
Second Prize- Ms. Manju NM, B. Sc. Nursing Third Year
Third Prize - Ms. Aksa Mariam Shaji, B. Sc. Nursing First Year

The programme came to an end with Mr. John Wesley giving the Vote of thanks and Rev. Giftus Joshua saying the prayer and benediction. The programme was well attended by patients, patient's relatives, staff and students.

Tamil Shiloh – 2026

The Tamil Shiloh for CMC staff was held for three days at the Main Chapel on 28th 29th & 30th September 2026 in Town and on 13th & 14th October 2026 in Ranipet Campus. More than 2,600 staff members enthusiastically participated in the five-days gathering and were blessed and encouraged through the Word of God. The guest speaker for the programme was Dr. Sam Daniel, Founder of Praise to Jesus Ministries, Chennai.

Dr. Sam Daniel is a professional psychologist specialising in counselling and holds a Ph.D. in Psychology. His ministry experience spans Christian retreats and camps, prisons, schools and colleges, teachers' training programmes and ministry among diverse communities. The three-day Shiloh was a motivating and spiritually enriching experience for the CMC staff. Through the messages and ministry, many participants were encouraged in their faith and made meaningful personal decisions.

Dr. Biju George, Director, Dr. Jachin Velavan, Associate Director (Missions), and Mr. C. Reni Charles, General Superintendent, were present during the programme and encouraged the staff to commit themselves to the vision and mission of Christian Medical College Vellore, and to actively participate in the healing ministry of Christ. The gathering served as a valuable opportunity for the CMC community to pause from their routine responsibilities, seek God together and renew their commitment to serving others through their work. The enthusiastic participation of staff members reflected the importance of spiritual fellowship and renewal within the institution.The Tamil Shiloh 2026 concluded as a time of spiritual renewal, encouragement and recommitment, inspiring the staff to carry forward their responsibilities with renewed faith and dedication to the healing ministry of Christ.

Notice

American Heart Association – International Training Centre (CMC, Vellore)
Basic Life Support (AHA-BLS) Provider Course
(HeartCode® BLS – Blended Learning)

The American Heart Association (AHA) Basic Life Support (BLS) – HeartCode® Provider Course will be conducted on the 26th November 2026 at Paul Brand Building, CMC Vellore. HeartCode® BLS is the American Heart Association's blended learning pathway for BLS training. This format combines a Self-directed online learning session and mandatory hands-on skills training & assessment.

The course structure comprises two parts. Participants will: 1. Complete an interactive online module covering core BLS concepts, supported by videos. 2. Attend an in-person session for 3 hours, which includes: hands-on practice with real-time guidance, a focus on high-quality CPR, the use of an Automated External Defibrillator (AED), choking management for all ages (adults, children & infants), and undergo a skills assessment session conducted by an AHA-authorized instructor in an approved simulation facility.
This course is based on the latest 2025 AHA / ILCOR guidelines and designed for Doctors, Nurses, and Paramedics. Limited seats available with Registration **Fee of Rs.3500/- (includes study materials). Last Date to register is 14th November 2026.For registration, please contact Mrs. Nitha & Mr. Ganesh Pediatric ICU, CMC Vellore (Phone No.0416 - 228-3366 / 9952389812).**

American Heart Association – International Training Centre (CMC, Vellore)
American Heart Association –Paediatric Advanced Life Support (AHA_PALS) course

The American Heart Association –Paedaitric Advanced Life Support **(AHA-PALS)** provider course will be held on the **27th & 28th November 2026** at the Jacob Chandy Hall, Paul brand building, CMC, Vellore. This well known Paediatric Advanced Life Support Course, accredited by the American Heart Association and American Academy of Paediatrics, is valid internationally. The number of participants is strictly restricted to 18 as per AHA guidelines. **The registration fee is Rs.8000/-** (cost of study materials included). The last date for registration is **14th November 2026.** This two day course is designed for healthcare providers (Doctors, Nurses, Paramedics) who initiate advanced life care in acutely ill children, beyond basic life support, through the stabilisation or transport phases of a paediatric emergency. The course is based on the **2025 guidelines** and is internationally valid. The course consists of lectures, videos, discussions and hands - on sessions based on simulated case scenarios and aims to train the participants in early recognition and emergency management of critically ill children with an emphasis on team concept. **For enquiries and registration, please contact** Ms. Nitha or & Mr. Ganesh, **Paediatric ICU (Phone No.0416-228-3366 / 9952389812).**

1. Assistant Professor with **MCh (Hand Surgery)** for the **Department of Hand Surgery**
Salary : As per institutional rules.
Accommodation : Provided (Subject to Availability).
Applications to be done only through the online application system.
Please log on to **https://clin.cmcvellore.ac.in/cmcapp/listapplication.aspx**
Note: Only online applications will be accepted; Hard copies will not be accepted.
Applications will close on **October 31, 2026.**

2. Senior Resident / Assistant Professor with **MS (Orthopaedics)** for the **Department of Orthopaedics Unit –II.** **Salary :** As per institutional rules.
Accommodation : Provided (Partly Furnished, Depending on availability).

Applications to be done only through the online application system.
Please log on to **https://clin.cmcvellore.ac.in/cmcapp/listapplication.aspx**
Note: Only online applications will be accepted; Hard copies will not be accepted.
Applications will close on **October 31, 2026.**

3. Senior Resident with **MD (General Pathology)** for the **Department of General Pathology.**
Age Limit : Below 40 years. **Salary :** As per institutional rules.
Accommodation : Provided (Subject to Availability).

Applications to be done only through the online application system.
Please log on to **https://clin.cmcvellore.ac.in/cmcapp/listapplication.aspx**
Note: Only online applications will be accepted; Hard copies will not be accepted.
Applications will close on **November 14, 2026.**

4. Christian Medical College, Vellore invites online applications for admission to PhD programme under various departments (Haematology, CSCR, Virology, Wellcome Lab, Developmental Paediatrics, Neurological Sciences, Endocrinology) - affiliated with Regional Center for Biotechnology(RCB,Faridabad). ***Job Code:1693***

Eligibility Criteria:

i. Qualifications : MBBS / MD or M.Sc. M.Tech / B.Tech / any branch of Life Sciences or an equivalent degree.

ii. Qualifying Marks : 60% aggregate score or equivalent grade in the qualifying degree examination (5% relaxation for SC/ST/OBC/PwD allowed as per the GoI norms).

iii. Reservation of seats : As per the GoI guidelines.

iv. In addition to the above, candidates preferably should have qualified for any of the following examinations and hold a valid fellowship at the time of interview:

- Joint CSIR-UGC test for Junior Research Fellowship (CSIR / UGC JRF)
- Innovation in Science Pursuit for Inspired Research (DST-INSPIRE)
- DBT Junior Research Fellowship (DBT-JRF)
- ICMR Junior Research Fellowship (ICMR-JRF)
- Any other nationally-competitive fellowship offered by the Government having a valid fellowship for a period of 5 years

Note : If the Candidates do not have any of the above fellowships and the candidate cleared the written test and the interview conducted, the candidate may be considered for regular salary from the centrally funded projects in which they will work (DBT/DST/WELCOME-DBT) or from departmental funds for entire period of their PhD course.

More information can be obtained from respective department websites

Please scan the QR code for application form
Only online applications through the above mode will be accepted.
Last date to apply: **October 30, 2026.**
